A LEGEND**

DEFENDER

TATC 110

One of a kind Defender created exclusively by TATC and limited to a production run of only 5 numbered examples for clients across the USA.

WELCOME TO THE DARK SIDE

Introducing Obsidian, the TATC Limited Edition Defender—a true masterpiece for those who seek the thrill of adventure without compromising on luxury and power.

Dark, brooding, and undeniably dynamic, this vehicle is designed to turn heads whether you're navigating through rugged terrain or cruising down the highway.

Whether you're navigating steep mountain trails, taking in the serene shores of a lake, or basking in the sun on a remote island, our TATC Obsidian Edition is your ultimate companion.

Unparalleled Adventure

OBSIDIAN FEATURES

- **Beluga Black Paint:** A striking, timeless finish that exudes elegance and power.
- **Sawtooth Rims:** Robust and stylish, these rims are built to withstand the toughest conditions.
- **Roof Rack:** Perfect for adventure gear, ensuring you're always ready for the next expedition.
- **LED Headlights:** Superior illumination for enhanced visibility and safety at night.
- **Permanent 4x4:** Unmatched traction and control, no matter the landscape.
- **Powerful Diesel Engine:** Delivers exceptional power and efficiency, making long journeys a breeze.
- **Upgraded Suspension & Brakes:** Enhanced for superior handling and stopping power in all conditions.
- **Fully Overhauled Chassis:** Reinforced and refined for ultimate durability and performance.

POWERED BY HISTORY

At the heart of this beast is the legendary 300tdi engine, renowned for its robust performance and reliability. This powerhouse ensures you have all the strength you need to tackle any challenge that comes your way.

Whether you're planning a family holiday at the beach or an off-road escapade, the Obsidian Defender's engine delivers the punch you need.

Additional features include Uprated Intercooler and VVT Turbo to provide an engine that's not only powerful but also very refined and perfect for everyday use.

LUXURY MEETS ADVENTURE

The TATC Defenders Obsidian Edition is not just about brute strength; it's also about luxury and comfort. This fully restored classic Defender is in better-than-new condition, offering a driving experience like no other.

- **Fully Soundproofed:** Enjoy a serene cabin, free from the noise of the rugged outdoors.
- **Leather Interior:** Sumptuous seating that adds a touch of elegance to every journey.
- **Modern A/C System:** Keeps you cool and comfortable, no matter the weather outside.
- **Heavy Duty Matting:** Practical and stylish, designed for easy cleaning and superior comfort.
- **Apple Car Play:** with enhanced Audio Package. Navigate with ease on the move.
- **Heated Seats:** Stay warm and cozy during those chilly morning drives.

**Roll Cage available at additional Cost along with other Optional Extras.
